*If medically necessary the child will be **transported** to Connecticut Children's or as EMS is directed.

*In the event of a life-threatening event such as **anaphylaxis**, and/or **Opioid Overdose**, the school nurse or, in the absence of the school nurse, a qualified school employee will administer **Epinephrine** and/or an **opioid antagonist**, Naloxone, in accordance with the medical orders set forth by the School Medical Advisor, CT PA 14-176 and CT GS section 10-212a(g) unless written notice by parent opting out is received by the school nurse.

*I understand that in the event of a serious injury/illness the school will contact me or an emergency contact If medical transport is required, I give permission for the school to transport the student for medical care as deemed necessary.

*I understand, and give **permission** for the school nurse to provide health services, education, health screenings mandated by the State of Connecticut and to provide routine first aid according to approved medical guidelines and formulary unless written notice by parent is received by the school nurse.
