

St. Thomas & St. Timothy School

PEEK AT THE WEEK

Colleen DiSanto

We are so excited to announce our St. Timothy Middle School Student Council: Miley Julien, Victoria Levinskas, Lexi Rice, Ruben Harris, Gregory Levinskas, Elijah Kwakye, Patrick Silvan, Brendan Jaroch, and Mina Bratt. We are so proud of their great integrity in the sharing of the mission as contributors to St. Timothy Middle School community. Their goals for the year include more opportunities for community service projects, prayer services, to help organize fundraisers among their peers, and last but not least, they want Chick-fil-a for lunch! We wish them all the best as meetings begin next Tuesday.

Community

Staffing Changes: Mrs. Schalleen Connelly has resigned her position at St. Thomas the Apostle School. We wish her well in her future endeavors. I spoke with the faculty this afternoon regarding this change and reminded them of the importance of their role in the lives of their students. They are all natural care-givers. They are the daily support to our students. Alongside our staff members, is Mrs. Kim Kownacki, who over the past weeks has been in every classroom, met with every teacher and connected with many families directly and indirectly. We are a strong school and will continue our commitment to the mission of Catholic education. During the upcoming transition, our staff will continue to be supportive of their students and one another. Thank you for your patience and your consideration.

Book Fair: We've earned hundreds of dollars toward new books in the library. Miss a book or starting holiday shopping early? You can still shop and support learning through October 15 at our online fair. [Click here.](#)

Winter Wear Drive: The Parish of St. Thomas & St. Timothy Social Action Committee will be holding a Winter Wear for Kids Drive! St. Timothy & St. Thomas School will be collecting winter items to donate to this drive; it is inspiring to see our students reaching out to help other children in need. Please consider helping to provide warmth, hope, and confidence to children who are in need of winter coats, mittens, hats, & boots. [Click here for more information.](#)
