Uniform Update

Thank you all for your patience. We are in a contractual relationship with Dennis Uniforms until the end of the 2025 school year. A new vendor has offered to supply us with needed items such as gym t-shirts and polo shirts, we would approach the sale of these as a fundraiser for the HSA. We are pursuing the new vendor who is assisting in this fundraiser, and will have more information soon. We do not yet have a supplier for the zip up sweater or jumper. The available items remain in question and on delay until the end of October. As we work together to substitute uniforms, please consult the uniform accommodation list and make sure the substitutes are similar to our uniforms on both campuses. Thank you again for your patience and partnership.
