PEEK AT THE WEEK

Colleen DiSanto

O God of love, you give gifts to people who try to make life more peaceful for everyone. If there is injustice, help us correct it. If there is hatred for our neighbor, teach us how to be loving people. Make us your instruments in building a better society. Help us to realize that our gifts are a blessing you have given us so that we may share them with others. Help us always work for the common good. Amen.

We're grateful to our parent-chaperones for accompanying us, and Father David for making it all possible.

We are so proud of our students in the Honors Choir for their hard work, their dedication to their music, and for representing our school.
